Stainless Steel Enclosures

Stock Enclosures

Environment Enclosures

Saginaw Control & Engineering, an ISO 9001:2000 Certified Company, has been serving the electrical industry since 1963. We specialize in manufacturing both standard stock and custom designed enclosures as well as precision sheet metal fabrications. Our 255,000 square foot manufacturing and warehouse facility, located in Saginaw, Michigan, uses state of the art fabricating equipment including the newest laser technology. All products are protected with the highest quality paint and powder finishes available in today's market.

In addition to our manufacturing facility and warehouse, SCE has distribution centers in Aurora, Ohio, Kenosha, Wisconsin and Lenoir City, Tennessee. All locations are 30,000+ square feet and are conveniently located to serve enclosure customers throughout the U.S.

To obtain more information about SCE and our products, please visit our Internet site at <http://www.saginawcontrol.com>. This site includes new product information, complete list of stock part numbers, drawings of stock parts for you to download, list prices, Installation Manual and other SCE news.

SCE supplies top quality products built to accurate dimensions. From concept to completion, the SCE staff will work with you to satisfy your enclosure requirements.

Whether you require a standard stock enclosure or a custom built enclosure, SCE can be **Your Enclosure Source®**.

Quality Policy Statement

Saginaw Control & Engineering is committed to understanding and meeting or exceeding the quality needs and expectations of all of our customers, while striving for continual improvement at all times.

Our goal is to be the leading manufacturer of standard stock and custom designed enclosures, to provide real opportunities and solutions to each of our customers, to grow our company stronger, to deliver unparalleled quality, value, and customer service. To verify, monitor and benchmark our products and services to meet agreed requirements and continuously improve our business, products and services.

We, at Saginaw Control and Engineering, affirm this commitment, and have established a comprehensive quality assurance system, which will allow our company to meet all of the requirements of the ISO 9001:2000 quality management system standard.

TERMS AND CONDITIONS OF SALE

The Terms and Conditions stated below shall supersede any which may appear on the purchase order which are not specifically agreed to in writing by an officer of this corporation.

Payment Terms

Customers with satisfactory credit may purchase product on open account. We also accept American Express, Master Card, and Visa. Payment NET 30 days from date of invoice. Payment accepted in U.S. dollars only.

Minimum Billing

\$50.00 except for repair parts.

Published Price Lists

SCE reserves the right to cancel or adjust prices at any time.

Delivery

Shipping dates are based on our best estimate of the factory conditions at the time the order is accepted.

Government Regulations and Taxes

Any regulation, restriction or tax imposed on goods furnished by SCE are the responsibility of the purchaser. Any testing or disposal of material shall be your responsibility.

Cancellation

Orders of standard catalog items that are cancelled by written notice and confirmed before the product ships, will be charged with a 10% cancellation charge (with the minimum cancellation charge of \$30.00). If the order has been shipped and is refused by the customer, there will be a 20% restocking charge (with the minimum cancellation charge of \$30.00) plus freight charges. Orders of large quantities of standard product and custom orders will be charged the cost incurred up to the point of cancellation.

Warranty / Limits of Liability

All goods manufactured by SCE shall be warranted to be free of defects in material or workmanship for a period of one year from the date of shipment. Should the product be proven to SCE to be defective, we shall option to repair or replace the product. At no time will SCE reimburse purchaser for unauthorized rework on any product.

Our warranty does not cover equipment manufactured by others and resold by SCE, or incorporated into our equipment. Products sold with such warranties may be extended by the manufacturer of the product. We do not warrant product that has been modified, subjected to abuse, negligence in operation or maintenance, or if product is used in a manner that exceeds its designed capabilities and rating. Under no circumstances is SCE liable for any consequential damages, liquidated damages, loss in profits or revenues, costs of capital, downtime costs or damages related to our product performance. All discrepancies must be reported within 2 business days.

Returned Goods

SCE must receive written request for any product to be returned. Standard product in resalable condition will be assessed a 20% restocking charge. Return freight to be paid by purchaser. Upon receipt of product, SCE will inspect and determine salability. Any cost above the restocking charge required to make product salable shall be deducted from the credit.

*No returns will be accepted of product that is requested to be returned after 6 months of its initial ship date.

Freight Terms

All product that is delivered by a SCE truck, on a scheduled route, will be considered as FOB destination.

All other shipments, including Overnight Air, UPS, RPS, Fed Ex and Common Carrier, will be shipped FOB origin, freight prepaid and add (Saginaw Control will initially pay the freight charges and add to the invoice), or collect on customer request.

*By specific agreement, certain shipments may be routed FOB destination, freight prepaid (Saginaw Control will pay the freight charges).

*Freight Terms are indicated on all quotes.

Damaged Material

All products are inspected before shipping, insuring the quality and adequacy of the packaging prior to being loaded. The consignee will be responsible for the freight enroute and file any claims if necessary.

* Saginaw Control will not be responsible for any physical damage to the shipment if it is not inspected at the time of delivery and damages or suspected damages are not clearly noted on the freight carrier's paperwork at the time of delivery, and reported immediately to Saginaw Control & Engineering.

* These instructions are clearly marked on every package sent.

Catalog Errors

Catalog dimensions are close estimates. However, manufacturing processes may necessitate slight deviations.

Penalty Clause

No penalty clause shall be in effect unless written approval is obtained from an officer of Saginaw Control and Engineering.
